Join Us for Phonics in Action: Parent Observation Week!

Dear Parents and Carers,

Ever wondered how your child learns to unlock new words and build reading confidence? We would love to invite you into the classroom for our upcoming Phonics in Action Observation Week at Limes Farm Infant School!

Why come along?

- See learning in real-time: Watch how phonics is taught step-by-step in a lively, interactive classroom setting.
- Understand the methods:
- Get a clearer look at the modern teaching techniques and sounds your child uses every day.
- Support at home: Pick up practical, easy-to-use strategies to boost your child's reading confidence when practicing together at home.
- Connect with their day:
- Gain valuable insight into your child's daily routine and see firsthand how they participate and thrive in class.

Please sign up for one session only on the booking sheet located right at the classroom door.

Working together, we can lay a strong foundation for a lifelong love of reading. We look forward to welcoming you!
Warm regards,

Mrs Tutty-Lyons
