Reception Newsletter

Dear Parents and Carers,

As we approach the final days of our first half term, we are wrapping up with an exciting Science Focus Week!

This week, the children will explore The Human Body:

- The Five Senses: How we experience the world around us.
- The Human Skeleton: Why we need bones and how they support us.
- Basic Organs: Learning about major organs (like the heart, lungs, and brain) and what they do.

Attached to this message, you will find vocabulary picture cards. Talking about these key words at home is a great way to reinforce what your child is learning in class.

Best wishes,

Miss Samsonovaite & Miss Abdi
