Year 1 News Letter

Hello everyone! 😊

What a lovely and busy week we've had in Year 1! The children have been working incredibly hard, and we are so proud of how well they are settling into their new routines. It has been wonderful to see their confidence growing, their independence developing and, most importantly, lots of happy faces in the classroom!

Here's a little look at some of the exciting learning we've been doing this week:

Science

This week, we continued exploring our topic on the human senses, with a special focus on our sense of hearing. The children enjoyed listening carefully to different sounds and thinking about how our ears help us understand the world around us. We had some brilliant little scientists in the classroom!

Maths

We've been busy building our number confidence by practising counting forwards and backwards. The children worked really hard to spot number patterns, think carefully about what comes next and check their counting. It has been lovely to see them becoming more confident with their numbers!

English & Growth Mindset

This week, we shared the wonderful story Tilda Tries Again. It led to some lovely conversations about resilience and what we can do when something feels difficult. We talked about how we might not be able to do something yet, but if we keep trying, practising and believing in ourselves, we can make progress.

Art

To finish off our week, we unleashed our inner artists! The children created some fantastic collages inspired by Piet Mondrian, experimenting with bold lines, shapes and primary colours. They were very proud of their creations, and so was I!

A proud teacher moment:

One thing that has really stood out to us this week is how much more independent the children are becoming. They are getting to know our classroom routines, showing kindness towards one another and becoming more confident learners every day. Well done, Year 1! 🌟

Thank you, as always, for your continued support at home. It really does make such a difference and is very much appreciated.

We hope you all have a lovely and relaxing weekend, and look forward to another exciting week of learning together! 😊

Kind regards,

The Year 1 Team
