Year 2 News Letter

Hello everyone! 😊

What another fantastic week in Yellow Class!

Your child has been given their Homework book. They have spellings, which will be tested every Friday, a maths activity and then you can choose 1 activity from the grid placed on the first page. Homework books are to be returned every Wednesday. At the back of the homework book are the children's spelling test for you to be able to see how they got on. Please continue to read as much as possible and record when your child has read in the Reading Record. All you need to do is say that they read, which page they read to, and then sign. If you want to make a comment please do so.

This week we have continued to base our Literacy learning around the story of "The Night Pirates" by Peter Harris. We talked about feelings and adjectives to describe how the character would feel at different times in the story. We then wrote a diary entry imagining that we were the main character Tom.

If you would like to share this story with your child, click on the link below.

In Maths we are focusing on Place Value, understanding Tens and Ones. We learnt about the comparison symbols (crocodile symbols) and understood which number was greater than or less than another number. Next week we will focus on ordering numbers.

We hope you all have a lovely weekend.

Year 2 Team
